LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29, MALIBU EMERGENCY STORM DAMAGE REPAIRS

As a result of the February 3, 2005, rainstorm, a landslide occurred at 2026 Topanga Skyline Road in the Topanga area of Waterworks District No. 29, Malibu. The storm also caused land movement on Malibu Canyon Road, Malibu, damaging an 8-inch-diameter water main. A. A. Portanova and Sons, Inc., was called to assist District staff to relocate approximately 125 feet of the 8-inch-diameter water main in Topanga Skyline Road to above ground until Road Maintenance Division completed the repair of the road and to repair the 8-inch-diameter water main in Malibu Canyon Road. The work was completed on March 24, 2005, at an estimated cost of \$50,000.

A. A. Portanova and Sons, Inc., is one of five as-needed, on-call emergency contractors, with a contract approved by your Board on December 1, 2003. We committed to reporting to your Board all emergency repairs carried out under these contracts.
